

Marvelous Masters

The Marvelous Master series focuses solely on teaching students about some of the great artists, teaching the artistic style of these artists, and having the students create original artworks in that style. It is designed for students and teachers who want a strong focus on the artists.

Marvelous Masters

- Art History and Appreciation Enrichment
- Support materials include lesson videos, lesson plans and the associated Great Masters Virtual Museum Art Print Guides.
- 9 lessons per unit (two are warm-up lessons designed to prepare students to succeed with the lessons which follow. They focus on the color wheel, proper use of the paintbrush, and drawing techniques, including contour (right brain) drawing in the higher levels. The following 7 lessons each teach the style of a different artist
- Classroom Art Supply Kits Available
